First Draft - Writing a Play Script / Drama Scene

Step 2. You already thought of how you will continue and end this play to make your characters achieve a goal.

You will need to add :
1. A new title
2. A character list (add FEW characters)
3. Stage directions + settings
4. Scene Description
5. Character name - Colon - Dialogues

A Long Way Down

Joe and Jade are tired. It has taken them a long time to climb the mountain, and although they are on the way down, they are still far from home.

Suddenly Joe stumbles on some loose rock.

Jade: Watch out! *(Joe falls downwards)*

Joe: Ow, that hurt!

Jade: *(sounding sympathetic)* Are you alright?

Joe: What do you think? *(In a whisper)* Sorry. I think I've twisted my ankle.

Jade: *(anxiously)* What shall we do? *(Wrapping a scarf around his leg)* Is that better?

Joe: A little.

Leaning on Jade he manages to limp down the hill. His ankle begins to swell.

Jade: Faster. It's getting very dark. Soon we won't be able to see the path.

Joe: *(moaning)* OK.

Jade: You're doing really well. Keep going.

Joe: I will keep going but it really hurts.

Now that you finished your graphic organizer, start writing the play script first draft below.
Add **only 10 to 16 more dialogues** to complete this play. (Not more than 16 ; Not less than 10)
Make sure you add all the features of a drama scene/ play script and fulfill the requirements given in the RUBRIC.
