HOW AND WHY CHARACTERS CHANGE

Title: ALICE'S Adventures in Wonderland

Author: Lewis Carroll

Character's Name: Alice

Directions: Provide evidence from the story to support your conclusions.

At the Beginning: Alice was bored, then she became curious after she saw a rabbit with a Waistcoat and a pocket watch so she follows the rabbit into the hole which winds her up in a deep hole, and eventually in Wonderland.

At the End: Alice interrupts the queen of hearts when she was making a statement, she went on with an argument with the queen of heart. She wins the argument and easily wipes the cards. She is then awakened by her sister.

How the Character Changed: The adventure changed Alice for before Alice was lazy and curious. After the story Alice develops kindness, and bravery.

Why the Character Changed:

When the adventure began Alice changed because she had to meet new people whom would help find solutions to her problems and she then develops a friendship between them and she learns to stand up to authority, such as the Queen of Hearts, in order to be taken seriously that is why she became the person she is after the adventure.

3 Trait

Forgetful

Alice always forgets who she is altogether, because when Alice changes her size, she feels like a different person. She also forgets many tiny important things, due to her thinking fast to solve problems.

Poster:

Alice is curious, friendly but a bit rude, helpful, strong, and smart. She struggles with knowing who she really is.

Alice is seven years old with various heights. Alice is a Dreamer girl, and she has curiosity about her surroundings.

Alice is very brave, strong when she faced the queen and creatures, and in many weird situations. She also takes quick action in any situations.

If I were Alice, I would chase the rabbit, but I shan't go down the rabbit hole meaning I wouldn't know about Wonderland.

Alice went inside the hole, met new creatures, and even made friends with them! She had a lot of adventures with her new friends, and she fights against the Queen of Hearts. Finally, she went back home, and realized it was all a dream.

I like Alice's curiosity. Without it, she wouldn't have gone into an adventure in Wonderland that changed her personality by facing new creatures and it is a fun new experience to have!
